PRODUCTS (TECHNICALS)

2,4 D (All Variants)

Abamectin

Acephate

Atrazine

Azoxystrobin

Bifenthrin

Bispyribac Sodium

Butachlor

Carbendazim

Carbofuran

Cartap Hydrochloride

Chlorantraniliprole (CTPR)

Chlorpyrifos (Cpp)

Clodinafop Propargyl

Cypermethrin

Deltamethrin

Difenoconazole

Difenthran

Dinotefuran

Fipronil

Glyphosate

Halosulfuro

Hexaconazole

Imazethapyr

Imidacloprid

Indoxacarb

Lambda Powder

Mancozeb

Metribuzin

Metsulfuron Methyl

Novaluron

Oxyfluorfen

Paclobutrazol

Paraquat

Pendimethalin

Picoxystrobin

Pinoxaden

Pretilachlor

Pretilachlor

Profenofos

Propiconazole

Pymetrozine

Pyrazosulfuron Ethyl

Pyriproxyfen

Sulfosulfuron

Sulphur 80%

Tebuconazole

Tembotrione

Tembotrione

Thiamethoxam

Thifluzamide

Topramezone

Tricyclazole

Trifloxystrobin

Gopal Saw (Category Head)

TOPRAMEZONE 33.6% SC	LIQUID
DINOTEFURAN 20% SG	GRANULES

"GUJRAT PESTICIDES COMPANY"

we are pleased to introduce ourselves as the leading and unmatched manufacturer of Insecticides, Herbicides, Weedicides, Fungicides, Bio-Fertilizers, Micro-Nutrients and various Plant Growth Regulators. Established in 1991 as a trader of agro chemicals, we came into manufacturing in 2016 having aside a passion for quality control, Guided by the motto of

"Super Quality, Super Farms"

Production

Marketing The Company today stands out among the fast emerging pesticides Companies of the country. The factory is equipped with most latest automatic machines and scientific labs testing instruments, with duly certified by ISO. Having around 200+ products in formulation & marketing.

Marketing

Our marketing team consists of highly qualified, well-trained, richly experienced, dedicated professionals and extension workers. We have well knit marketing network of our esteemed distributors/ dealers fairly spread all over the states of Maharashtra, Madhya Pradesh, Chhattisgarh, Gujarat & Haryana. Punjab, Himachal Pradesh, Rajasthan, Uttar Pradesh, Jammu & Kashmir, Uttrakhand, West Bangal and Orissa.
